Summer Programs 2016

HELLO, SUMMER!

Speedway Parks & Recreation, in partnership with School Town of Speedway, offers a series of activity camps during the month of June. Summer programs give kids a chance to participate in sports, art programs, swimming, and new for 2016 — robotics!

These activities are open to any school aged child — your child does not have to be a Speedway Schools student to participate.

This guide breaks down the activities offered by age group based on the grade your child will be entering in the Fall 2016 semester (we call that a rising grade). For example, if your son or daughter will be starting kindergarten this fall they are in the rising kindergarten group.

Take a look at what is being offered this summer! We hope to see your child in a summer program soon!

PAYMENT INFORMATION

Payment Options

Payments for summer programs may be made in cash, check, money order or credit card. All checks or money orders should be made payable to Speedway Parks & Recreation unless otherwise noted. We accept Visa, Mastercard or American Express. There is a service charge of 1% of the total for credit card purchases. Please note that only credit card payments are accepted for online registration. There is a service charge of \$1 per transaction for online registrations.

Returned Checks

A fee of \$25 will be assessed on each returned check. These fees will be assessed regardless of the reason for return and participation in programs will be suspended until reimbursement is received. Reimbursements for returned checks and fees must be made with cash, money order or credit card. Return of a second check will result in a 'cash only' status on all future payments.

Refund Policy

A refund request may be submitted at least 7 days prior to program start date. All refunds are subject to approval of Speedway Parks and Recreation Department Board and are subject to State Board of Accounts claim procedures. If approved, a full refund, less a \$7 service charge, will be given. NO REFUNDS will be given after that point. Check refunds may take up to 3-4 weeks to process.

CODE OF CONDUCT

All users of programs and facilities are expected to exhibit appropriate behavior at all times while participating, spectating or attending any program, event, service and/or facility provided by Town of Speedway Parks and Recreation Department or School Town of Speedway. This includes programs, events or facilities that may or may not require an admission fee, spectating at athletic events, concerts or attending special events. The following guidelines are designed to provide safe and enjoyable facilities for all users. Users shall:

- Show respect to all users and facility staff/supervisors
- Take direction from facility staff/supervisors
- Refrain from using abusive or foul language
- Refrain from causing bodily harm to self, other users or facility staff/supervisors
- Refrain from damaging equipment, supplies and facilities

A written or verbal warning shall be given to users/spectators if the Code of Conduct rules have been violated. If there is a second occurrence, users/spectators will be withdrawn from the facility or program without a refund.

PROGRAM DESCRIPTIONS

ART CAMP

Do you yearn to create and perform? Then Art Camp is for you! You will have fun learning about theater, art, music and dance, all while preparing for a spectacular performance. Campers should dress in clothes they can get dirty in - paint, glitter & glue are all used in this program.

The week culminates in a community performance on Friday, June 24th at 6:00pm at the Ziegelmueller Pavillion (Gazebo) at Meadowood Park.

ATHLETICS CAMPS

Athletics camps give students a chance to work with Speedway High School coaching staff in their chosen sport in a development atmosphere that is good for all levels of athletes. Participants will be introduced to proper technique and drills focusing on key skills in their chosen sport. Athletics camps focus heavily on teamwork skills and good sportsmanship.

Students will need to bring their own labeled equipment for certain camps - a glove for baseball or softball, knee pads for volleyball, or racquet for tennis.

ROBOTICS CAMP - New for Summer 2016!

The Speedway Robotics Camp is designed to be a fun and interactive learning experience. Participating students will spend the week learning about basic robotic principles and how they could impact the future. Students will also take part in hands on activities along with collaborating with other students to build a VEX robot.

The one requirement for this camp is that students be up for a fun and exciting week of robots!

SWIM CAMP (formerly Summer Swim Team)

Swim Camp is open to students who are interested in improving their swimming skills in a self-directed workout format. Swimmers will concentrate on stroke techniques, starts, turns and stamina with a variety of daily workouts. In addition, participants will get a one-hour coach's clinic during their lane time once a week to get feedback and tips for improvement.

To participate in Swim Camp swimmers should be able to swim at least 50 yards in one stroke. Participants can sign up for a one-hour time slot starting at 8:00am through 10:00am. There is a limit of 10 swimmers per hour time slot.

SWIM LESSONS

This popular, free lesson program is designed to help your child learn to swim in a positive, fun environment. Swim lessons allow participants to build their confidence in the water gradually while giving them the opportunity to achieve small, attainable skills goals.

Swimmers may progress to the next skill level during this 3-week program.

Swimmers per time slot limits are based on industry-standard ratios to help our instructors provide the safest and best experience for your swimmer. Spaces in each time slot are assigned on a first come, first served basis. One time slot per child, please.

Register for swim lessons at an in-person registration event or by calling Leann Sewell, Parks Program Director at 246-4125. **Deadline for registration is Friday, June 3rd.**

If your child...	Start them in....	Time Slots
Is fearful with limited-to-no experience in the water & will not put face in the water	LEVEL 1 - WATER EXPLORATION Students will be taught beginning skills such as fully submerging face in water, front & back floats, and entering & exiting the water safely. Instructor to child ratio per lane = 1:6	8:40am-9:10am 9:20am-9:50am 11:20am-11:50am 12:40pm-1:10pm 1:20pm-1:50pm
Is unable to swim but unafraid of the water, will put their face in the water, will jump in water to instructor, or will back float with their ears submerged	LEVEL 2 - PRIMARY SKILLS Students will learn to float without support and to recover to a vertical position. They will begin true locomotion skills with alternating arm and leg actions on the front and back to lay the foundation for future strokes. Instructor to child ratio per lane = 1:6	8:40am-9:10am 9:20am-9:50am 11:20am-11:50am 12:40pm-1:10pm 1:20pm-1:50pm
Will jump in the water unassisted, retrieve a submerged object, or performs an independent front crawl with correct arms & legs	LEVEL 3 - STROKE READINESS Level 3 teaches the survival float, elementary backstroke and builds on the fundamentals of treading water. Students will be introduced to the proper bilateral breathing technique for front crawl, as well as new kicks (scissors & dolphin). Instructor to child ratio per lane= 1:8	8:00am-8:30am 10:00am-10:30am 10:40am-11:10am
Will jump into deep water, can perform the front crawl and backstroke for 25 yards, or can tread water for 2 minutes	LEVEL 4 - STROKE DEVELOPMENT Level 4 develops confidence in strokes learned thus far and improves other aquatic skills by swimming familiar strokes (front crawl and elementary backstroke) for greater distances into deeper water. Students will build upon the scissor and dolphin kick by adding the arms for breaststroke and sidestroke. Instructor to child ratio per lane = 1:8	8:00am-8:30am 10:00am-10:30am 10:40am-11:10am
